Accelerated depreciation for primary producers

You may be able to **immediately deduct the cost of water infrastructure** such as dams, tanks, bores, pumps as part of the Australian Government's **accelerated depreciation initiative** for primary producers.

If you receive funding from one of the Western Australian Government Rural Water Planning Programs you may be able to claim an immediate deduction for new assets.

For more information regarding accelerated depreciation please contact the Australian Taxation Office on www.ato.gov.au and search for accelerated depreciation.

A large, cylindrical, silver water tank stands in a dry, open landscape under a clear blue sky. In the foreground, there are some green and yellowish plants. To the right, another smaller tank is partially visible. The background shows a line of trees and a clear horizon. The image is overlaid with a white and blue graphic of water ripples in the top right corner.
